Overview

Presoft E-Stock Smart Sales Ordering is an application that provides an automated system for sales ordering. Presoft E-stock Smart Sales Ordering lets customers record, edit, and delete customer, debtor and creditor information, making sales and purchase items with ease by using a mobile phone. This application is very useful for companies because the salesperson can open bills and do marketing outside the company.

Minimum Requirement to download Presoft E-Stock

OS: Android 7.0 or above

RAM: 4GB

ROM: 2GB

Features of Presoft E-Stock (Smart Sales Ordering)

Stock Inquiry
